

Preface

If you are reading this, you have probably become aware that something is wrong about the way the Corona pandemic is handled by the authorities.

YOU ARE CORRECT!

This document serves to give you an understanding of what is really going on behind the scenes. The mainstream media won't tell you about this and they will attempt to discredit everything described here as baseless 'conspiracy theories'. Don't let them fool you; the mainstream media have turned into channels for the distribution of propaganda and outright lies to the public. Read this, do your own research, and then decide what you believe.

We are living through truly extraordinary times in the history of humankind. This period is called '**The Great Awakening**'. Millions of people across the world are waking up to the reality that 'something is wrong'. In fact, something is deeply wrong and has been – incredible as it may sound - for millennia. In fact, we have all been living in 'The Matrix'. If you have not seen the movie ['The Matrix'](#) (1999) yet, then you should certainly do so.

This document is called 'RED PILL 101' after the red pill that Neo selects in the movie when Morpheus offers him the choice between a blue and a red pill. The blue pill will let him forget about The Matrix and Morpheus. The red pill will allow him to wake up from The Matrix to reality. You now have the same choice.

On conspiracy theories

One of the most notable 'conspiracy theorists' in modern history was President JF Kennedy. In 1961 he held a speech in the Waldorf-Astoria hotel in New York for an assembly of journalists. Below are a few quotes from [his speech](#):

- "The very word "secrecy" is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings. We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers which are cited to justify it.
- "For we are opposed around the world by a monolithic and ruthless conspiracy that relies on covert means for expanding its sphere of influence — on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day.
- "It is a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations. Its preparations are concealed, not published. Its mistakes are buried not headlined. Its dissenters are silenced, not praised. No expenditure is questioned, no rumor is printed, no secret is revealed."

He was referring to an entity called the 'Deep State' (because of its covert nature also called 'the Cabal'). His murder in 1963 was a coup d'état by that very same entity. Former Canadian diplomat [Peter Dale Scott](#) has written many books about the Deep State and its nefarious activities.

Thinking in terms of conspiracy theories has been successfully discredited by the CIA, right to this very day. When in 1967 the CIA got concerned about credibility of the Warren Report (the official report on the murder of President JF Kennedy), a memo was written titled '[Countering Criticism of the Warren Report](#)', stating as its purpose:

“... to provide material countering and discrediting the claims of the conspiracy theorists, so as to inhibit the circulation of such claims in other countries.”.

The derogatory term of 'conspiracy theorist' has since been successfully weaponized to discredit anyone doubting the official narrative. The memo also states: “To employ propaganda assets to [negate] and refute the attacks of the critics.”, implying control over mainstream media. Media control has become much tighter since then. Today, it has turned journalists and reporters into brainless [actors parroting scripts](#) written by the CIA.

Several Presidents such as Roosevelt, Eisenhower, Kennedy and Reagan have warned the general public ([minute 16:00 to 37:00 of this video](#)) about the dangers of the Deep State. President Roosevelt was almost overthrown by a coup in the 1930's. President Kennedy was murdered and [President Reagan was almost killed by John Hinckley](#) (an associate of the Bush crime family).

You should know that President JF Kennedy was murdered by the Deep State, and that 9/11 was not a terrorist attack but another plot from the Deep State (as shown in the JFK to 9/11 documentary listed below). You should also know that all mainstream media are totally controlled by the Deep State. Consequently, though millions may suspect or know that the official narratives on these two landmark events in US and global history are plain wrong, this knowledge can never reach the general public. And to the extent that it does, it will be labeled a 'conspiracy theory'. Well, become a 'conspiracy thinker', that shows at least you are thinking. Many have entrusted their thinking to media and authorities, which have betrayed that trust. The Covid-19 pandemic is clearly showing that.

The Corona pandemic

Shortly after the start of the Corona pandemic it became clear that something fishy was going on. The (worldwide) coordinated government response, the lack of scientific evidence supporting the government's policies, daily fear mongering by the media, governmental censorship, censorship by mainstream media, social media and tech companies, the push for mandatory vaccines and [suppression of a perfectly viable medicine](#), harsh suppression of Covid-19 demonstrations by the police and other information that surfaced made it clear this was an agenda playing out.

This agenda was not to be derailed by the fact that the Covid-19 virus did not cause more deaths than a severe flu, that thousands of [medical professionals](#) joined forces and spoke out against the measures taken and that [science and common sense](#) do not support any of the measures taken by the governments. Instead governments keep pushing for restricting constitutional rights, lockdowns, mouth

caps, social distancing, apps to enforce that and other '1984'-like controls over the population, moving their countries towards the China model; a tightly controlled society similar to George Orwell's dystopian society in his novel: ['1984'](#).

It does not take long to find out that this agenda is collectively driven by groups such as:

- Supra-national entities: United Nations, WHO, Bilderberg group, World Economic Forum, Vatican, ...
- Large enterprises: Most Fortune Top-500 companies, in particular banks, media and tech companies
- Wealthy individuals and families: Rothschild family, Rockefeller family, George Soros, Bill Gates, ...
- Royals, Prime Ministers, and other world leaders: Angela Merkel, Emmanuel Macron, Mark Rutte, Boris Johnson, Justin Trudeau, Dan Andrews, Jacinda Ardern, ...
- Secret Services: CIA, Mossad, MI6, ...
- Secret societies: Freemasons, Jesuits, Order of Malta, Illuminati, ...

The media companies are playing an especially nefarious role by posing as 'news providers'. In fact, they are distributing propaganda to an extent that Nazi Germany's Minister of Propaganda, Joseph Goebbels, would have been envious of. They have done that already for decades, though never so blatant. German journalist Udo Ulfkotte disclosed in his bestseller ['Gekaufte Journalisten'](#) how he was taught "to lie, betray and not to tell the truth to the public". As journalist of the Frankfurter Allgemeine Zeitung, one of Germany's largest newspapers, he was prompted by secret services to manipulate the news to the advantage of the United States. According to Ulfkotte the Western media are totally corrupted: "Some media are no more than propaganda services for political parties, secret services and financial companies". Ulfkotte got a heart attack (probably he was murdered) in 2017.

The New World Order Agenda

What is the agenda behind Covid-19? Leading elites and politicians make little secret of their desire to transform the world via a 'Great Reset' into what is called the 'New World Order', the 'Fourth Industrial Revolution', or 'UN Agenda 21'. It is marketed as a great future for humanity with buzz words such as 'climate', 'green', 'sustainable', 'smart-government', 'smart-city' and 'trans-human'. But digging deeper one quickly finds that it has the malicious intent of robbing the people of their freedom and property.

Here is a quote from [Archbishop Viganò: Open Letter to President Donald Trump \(Oct 2020\)](#):

"A global plan called the Great Reset is underway. Its architect is a global élite that wants to subdue all of humanity, imposing coercive measures with which to drastically limit individual freedoms and those of entire populations. In several nations this plan has already been approved and financed; in others it is still in an early stage. Behind the world leaders who are

the accomplices and executors of this infernal project, there are unscrupulous characters who finance the World Economic Forum and Event 201, promoting their agenda.

The purpose of the Great Reset is the imposition of a health dictatorship aiming at the imposition of liberticidal measures, hidden behind tempting promises of ensuring a universal income and cancelling individual debt. The price of these concessions from the International Monetary Fund will be the renunciation of private property and adherence to a program of vaccination against Covid-19 and Covid-21 promoted by Bill Gates with the collaboration of the main pharmaceutical groups. Beyond the enormous economic interests that motivate the promoters of the Great Reset, the imposition of the vaccination will be accompanied by the requirement of a health passport and a digital ID, with the consequent contact tracing of the population of the entire world. Those who do not accept these measures will be confined in detention camps or placed under house arrest, and all their assets will be confiscated.”

Diving still deeper one finds that under the veil there is an even more **diabolical** agenda at play from a **Luciferian Cult**, in which humanity is to be reduced to less than 5% of its current population and is enslaved by its fascistic elite, as is revealed in the part “Seeing is believing” from [this video](#) (starting at 1:58:00). This video is also in its entirety very worthwhile to view.

The Luciferian Cult

The secret societies listed above, and some public societies (such as the Roman Catholic leadership in the Vatican) are in fact devotees of Lucifer. The same holds true for the most successful actors and musicians in the world, as shown in the documentaries listed below. The Cabal needs control over these last two groups because of their large following on social media, which makes them almost as powerful in reaching out to and influencing the public as the mainstream media.

The Luciferian Cult is ancient and can be traced back to Moloch or Baal (Beelzebub) worshipping in ancient times. The practice of child sacrifice is attested throughout the ancient Mediterranean world, particularly in Carthage. Carthage was founded by Phoenician colonists which gives them a connection

to the Canaanites. It has been suggested that there is also a connection between the child sacrifices practiced in Carthage and similar practices in Canaan and Judah such as the cult of Moloch.

Although it seems absurd to believe such a cult could still exist and thrive in modern days, this is indeed the case and when diving deeper into the rabbit hole, this starts to make a lot of sense. Suffice it to say here that pedophilia, human trafficking and child sacrifices still exist and largely explain the millions of people (particularly children) annually disappearing in the world (between 500,000 and 800,000 in the US alone). They are used for adrenochrome production and organ harvesting, while pedophilia additionally serves to forge alliance to the cult by making its members subject to blackmail.

Below several logos used by the largest tech companies. These have been derived from ancient Freemason symbols. Hiding in plain sight is - for reasons explained [in this documentary](#) - a strategy universally employed by the Cabal.

Steps toward the coup d'état

In the last two decades, we have seen several global social and political trends that have been harbingers of the coup d'état to bring about the New World Order that we are witnessing today:

- The global and continental concentration of media companies subsidized by governments and secret services
- Gender madness and [gender deceit](#) (i.e. males posing as females)
- Identity politics
- Climategate and megalomaniac climate plans in the EU (Timmermans)
- The rising of extremist and violent left-wing groups such as Antifa, BLM, Extinction Rebellion, many of which sponsored by George Soros
- Migration policies that encourage the unlimited inflow of foreigners into the US and the EU
- Transfer of sovereignty from constituent countries to the EU
- A small cartel of political parties consistently governing the country; voters can choose their favorite party or politicians, but have no influence on policies which seem to come out of nowhere and do not represent the will of the people
- Cover-up of endemic pedophilia and human trafficking by police, justice, and politics

All these trends (invisibly pushed by the Cabal) have been small steps towards this coup d'état. These steps have served:

1. To increase the power of governments or supra-national entities (such as EU and UN) over the population
2. To reduce social cohesion and family ties and set up citizens against each other
3. To normalize a social and moral degradation
4. As profitable business model for industries controlled by the Cabal

While the cover-up of pedophilia and human trafficking obviously serves to cover-up the Cabal's crimes against humanity.

Tying it all together

If this development of the evil Luciferian agenda had remained unobserved, the people in the West would have been virtually powerless. Peaceful demonstrations do not help, if only because many people have not even woken up to the imminent danger of dictatorship, and some never will as they are unwilling to let go of their naïve trust in authority.

Those that have been wakening up do not possess weapons, making them powerless against the armed forces of police and army that have as much as the rest of government been infiltrated by the Cabal. An exception is the population of the United States, which is why the Cabal has already for a long time been trying to discredit and outlaw possession of guns via every means possible, including so-called false-flag attacks.

However, there is one powerful leader who still can and has made it his mission to eradicate the Cabal from society, and that is President Donald Trump. This is exactly the reason why back in 2016 he chose to become a candidate for the presidency.

We now know that by winning the 2016 election he has already saved humanity once. Had Hillary Clinton won this election, World War 3 would have been started within 2 months of her inauguration. That would have been done with a false-flag attack involving 2 rogue submarines that would have launched nuclear missiles aimed at the United States from a location close to North Korea. How do we know this? Because of the [FEMA camps](#) and [30,000 guillotines](#) that had been prepared under the Bush and Obama administrations, and other facts that are disclosed at a higher RED PILL level.

President Trump is not alone in his effort. There is a secret group of patriots, that have been plotting for decades to thwart the plans of the Cabal. They have selected Donald Trump as their would-be president and have been working with him right from the start. Since 2017 this group leaks information to the public about the war against the Cabal under the name 'Q'. Q's followers are called the Anons (for anonymous). Q leaks information directly to the Anons, to create awareness of what is going on behind the scenes, as some of this information is of a highly conspiratorial nature, and therefore cannot be shared by President Trump without discrediting himself in the eyes of the general public. On top of that, the mainstream media is working overtime to distort, discredit and deny any information shared by the President, to an extent that has become sheer ridiculous in the preamble to and wake of the 2020 election.

Apart from the political war, there is also a military war ongoing with amongst others elite troops being deployed to fight in underground so-called DUMBs (Deep Underground Military Bases). Evidence of this underground war is the frequent occurrence of unnatural earthquakes, due to the use of tactical nuclear weapons to destroy the underground bases.

It is obvious that the Covid-19 plandemic was started by the Cabal to disrupt President Trump's presidency and to hurt the global and US economy, thus decreasing President Trump's chances of a re-election in 2020. When this failed, the Cabal had to resort to the largest-ever election fraud, to fake a win by their puppet Joe Biden. This election fraud had been anticipated by President Trump (the Cabal attempted to do the same in the 2016 election; this was then thwarted by means disclosed at a higher RED PILL level). Consequently, President Trump was prepared, and this fraud will expose to the public the total corruption of the Democratic party, the mainstream media, the CIA, FBI and DOJ. Also complicit

in the election fraud are foreign actors such as China and the EU. This will give President Trump the mandate to eliminate all the bad actors, agencies and institutes plotting against the people of the United States, and in fact plotting against the whole world.

Don't think that Trump's role is over because he apparently lost his reelection. Biden's win through mass-scale fraud was anticipated. Trump and the military continue to operate within a legal framework created to deal with a situation where a foreign entity (specifically the CCP: the Chinese Communist Party) controls the president of the United States, and the civil government has come under foreign control, unlike the military branch of government. So Biden will be outed at some point in time and either Trump will be recognized as the legal president, or new elections will be held.

In respect to the global rollout of the Covid 'vaccines' and mandates and other means of coercion to enforce these 'vaccines' on the population: **do not fall for this**. The 'vaccines' are bioweapons designed to control (and if and when necessary kill) the population. And if you have already taken a 'vaccine', urgently look for a natural healer who can neutralize vaccines.

What is next?

The elimination of the Cabal implies that approximately 1 permille of the global population (amongst them the rich and famous) will have to be removed from society by jailing them, or by capital punishment (because of crimes against humanity), and/or banning them permanently from public institutions. This will require political support from those who are awake, and from those who are still oblivious to what is going on.

Both the 2020 Covid-19 plandemic and the 2020 election fraud have been huge wake-up calls for the public. The Great Awakening is happening, and nothing can stop what is coming. Somewhere in 2021 the public will be informed about what you have read here and much more.

This has been the start of your RED PILLING. That has brought you to: **RED PILL level 2 of 10**, implying there is MUCH MUCH more to this story.

The remaining RED PILL levels will cover advanced topics, giving a better understanding of the ongoing global war that President Trump and the military wages on the Cabal, and topics such as spirituality, science, technology and knowledge that has been suppressed or falsified by the Cabal for millennia. In

2021 you will be seeing incredible technological advances becoming available to humanity, such as free energy, med beds, and much more. Humanity will become united, and wars will become history.
